

# Volunteer

## East Devon's Arts and Culture Forum

### Is culture just a 'nice to do'?

If your response was a shocked and definite 'No!' we would love you to volunteer your services to help us manage the arts and cultural life in East Devon. We want to find two people who can sit on East Devon's Arts and Culture Forum as well as mentor our staff in specific skills. Can you tick any of these boxes?

- ☐ Marketing expertise
- ☐ Fundraising experience and networking knowledge
- ☐ Time to mentor and coach people in business planning
- ☐ Ability to develop volunteering and support networks

### We need your help

We are up against major reductions in public finances and need to find ways to help our cultural centres survive these difficult economic times. We have a gallery, local arts programme, a theatre and a series of wider arts development programmes, all of which would benefit from extra help right now.

If you fancy being an ambassador for East Devon's cultural life and a helping hand to guide and advise, do please contact us at: [athompson@eastdevon.gov.uk](mailto:athompson@eastdevon.gov.uk) with a brief description of the skills and help you could bring.

Closing date: 21 October 2016.

It is proposed that the main Council Offices may relocate from Sidmouth to Honiton in 2018.
