LISTENING IN:

A contact mic making workshop
with artist Louise K Wilson

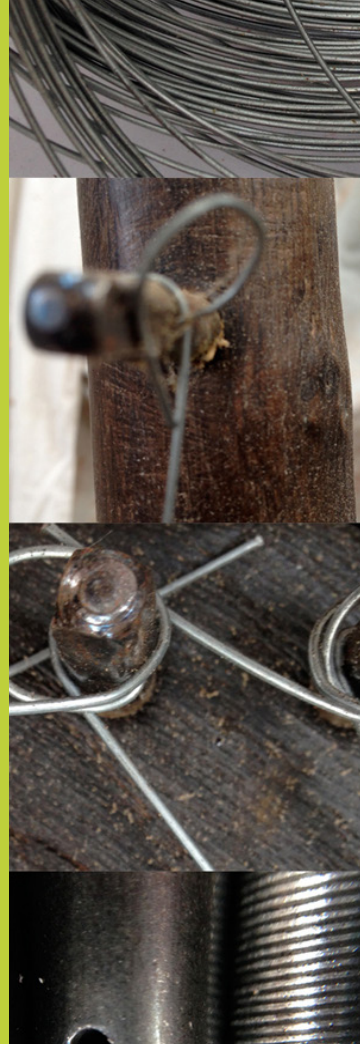

Wednesday 6 May, 6.30pm to 8.30pm
£15 (£12 for Friends of the gallery)

Join Louise in making your own contact microphone to record sounds by touching a surface. The workshop will take you through the process of making a contact mic which you can take away with you.

If you have your own sound recorder please bring it with you – it should have a stereo minijack input. We will have some on hand to use during the workshop so don't worry if you don't have one.

All materials and light refreshments provided. Very limited spaces so book soon to avoid disappointment. Suitable for over 16s only.

**For more information or to book
please contact the gallery 01404 45006
or email info@thelmahulbert.com**

This activity coincides with 'Drop Me a Line' an interactive exhibition by Michael Fairfax and Louise Baker. Part 1 continues until 16 May, and part 2 runs from 23 May to 20 June
